

January 28, 1976

SENATOR SCHMIT: Mr. President, members of the Legislature. I move the bill be returned. Do you want me to explain it now or after it's been returned? It's a very simple amendment.

PRESIDENT: Yes, I think it would be better to do it now in this case, Senator.

SENATOR SCHMIT: Thank you. It's a very simple amendment. The original language was a little bit too broad. We thought that perhaps we could clarify it by the insertion of the three words "cattle, hogs and sheep". It would apply only to agricultural animals. There was no objection to the bill at the hearing. I think it will be a lot cleaner bill that way. I would move the bill be returned.

PRESIDENT: Any further discussion? The question is, shall LB 536 be returned to Select File for specific amendment. Record your vote. Record.

CLERK: 45 ayes, 0 nays to return the bill, Mr. President.
